### Letter of Recommendation for Ms. Denise Glennon

It is my pleasure to recommend Ms. Denise Glennon to you as a candidate for a teaching position within your school district.

Ms. Glennon was hired as a long term substitute for a third grade position at Loomis Elementary this year. She has served with us since December and will remain with us through mid-May. Ms. Glennon was awarded this position over a slate of qualified candidates. The deciding factors in hiring her were her passion for education, her understanding of children and their varied needs, and her willingness to adapt and learn in a new environment.

Throughout her time with us, Ms. Glennon was an avid learner. She worked positively with both her regular and special education grade-level partners. She was resourceful, asking good questions and having a true desire to learn and improve with each lesson she taught. She displayed good insight to the needs of her students. She communicated with parents in a professional manner. Her experiences with her own children enhanced her knowledge of students and their needs. Ms. Glennon had sound classroom management and was friendly, firm, and fair in all of her dealings. Expectations for behavior and learning were clearly stated.

Ms. Glennon sets high expectations for herself and wishes to re-enter the teaching profession on a full-time basis. Her passion for teaching is obvious through her positive attitude and strong work ethic. Her teaching skills and personal commitment have enabled her to quickly re-assimilate to the profession. If hired, I am confident that Denise will be a valuable member of your team and will learn and grow from the experience to further her own professional development.

I have greatly enjoyed working with Ms. Denise Glennon during her time at Loomis. She stepped into a classroom that required a strong teacher and quickly formed positive relationships with students and their families. She is personable and professional in her dealings with staff, students, and parents. Thank you for your consideration of Ms. Denise Glennon for a teaching position within your school district.

Sincerely,

A handwritten signature in cursive script that reads "Christine White".
